## Internal Buffet Menus

### Booking

A minimum of three working days' notice is required when booking buffets. If you have booked a buffet with less than three days' notice then we cannot guarantee your chosen options will be available but we will endeavour to substitute items with a similar product.

If there are any specific dietary requirements please notify at time of booking.

There are a number of options you can choose from when booking your buffet

Begin with the basic this includes sandwiches, fresh fruit, crisp and fruit juice. This buffet can be ordered on its own

If you wish to add additional items to the basic buffet such as hot food items this will increase the price of your buffet per head (additional items are not added as individual items)

Extras such as cake slices, fruit platters, and bowls of salad can be added to you booking and the price per item/bowl/platter is indicated on the menu.

A minimum buffet booking is for 10 people

Tea and coffee for meeting rooms can be booked if you choose not to use the complimentary machines in the main hall and will be charged at £1.50 per head.
